Skate in Nutcracker On Ice!

Show Times:

Saturday, December 4th at 4:00 and 7:00 p.m.

Sunday, December 5th at 2:00 and 5:00 p.m.

Greetings!

This is the **last week to register to skate in Nutcracker On Ice!** Classes begin soon and in order to properly plan and prepare for our show skaters registrations must be received no later than Saturday, October 9th.

Your skater's **tested level** (the level they are competing at) is the level group you should register your skater in. If your skater is competing at ISI tot through Freestyle 3 you should register for a Saturday "Skate School Group". If your skater is competing at Freestyle 4 or is interested in a high dance group (currently in pre-silver or above) please sign up your skater for the Wednesday evening "Club Group". If you are not sure where your skater should register please discuss with Charity Hendrickson or contact Karen Rosemann at 314-409-9986. Keep in mind the club is managing all the groups for the show and all groups are important - many times we move high groups to the Saturday classes if that works better for the skaters.

In addition to performers we need lots of volunteers to assist with all aspects of the show. Show participation and volunteer information will be presented at Nutcracker Parent Meetings on Saturday, October 23rd. Returning Parent Meeting will be held from 9:30 a.m. to 10:30 a.m.; New Parents will meet from 10:30 to 11:30 a.m. Both meetings will be held at the Webster Groves Ice Rink. We would love for you to get involved sooner in supporting the show for more information on how you can help please contact Karen Rosemann at karenr@metroedgefsc.org or 314-409-9986.

Club Group Requirements: TESTED ISI
FS4+ and/or Pre-Silver Dance.

Tested means you are competing at FS4. These are not classes, they are show practices. This means you will not be learning skills, if you are in a FS4 group you should be able to perform all FS4 level skills proficiently. If the coach of the group and/or director feels a skater is in too high or too low of a class the skater may be moved at their discretion. Group selection may also be based on costume availability.

Club Groups traditionally are the party girls and various performers from the Kingdom of Sweets that entertain Clara and the Prince.
